STRATEGIC PILLARS AND PRIORITIES

1

Connecting a vibrant and responsive public sector

- Cultivate and enhance cross-sector networks to establish a platform for dialogue and discussion, aimed at tackling challenges and seizing opportunities within the sector
- Collaborate with our partners to enhance frameworks and create opportunities that drive greater impact in the public sector
- Enhance IPAA ACT's influence by evolving our membership and partnership model
- Innovate to design and deliver engaging and thought-provoking events that resonate with a growing group of stakeholders.

2

Promoting a spirit of service

- Advance a program of acknowledgement and recognition within the public sector
- Increase opportunities for thought leadership and innovation
- Foster a culture of integrity, diversity and inclusion in the public sector
- Assist in developing a career-of-choice brand throughout the public sector.

3

Strengthening capability and professionalism

- Enhance knowledge, skills and pursue professional excellence in the public sector while meeting the needs of our audience
- Build leadership capability for a thriving public sector career
- Develop bespoke programs which are accessible, adaptable and inclusive for the entire sector nationally, focused on targeted cohorts.

4

Extending our reach, engagement, and relevance

- Develop a sustainable fee-for-service offering which showcases IPAA's value proposition to a wider audience and utilises our ability to deliver across mediums and formats
- Increase our influence and engagement to ensure a lasting impact through organisational growth and maturity
- Leverage our partnerships to strengthen our value proposition to stakeholders
- Establish a comprehensive communications strategy that enables IPAA to make a significant impact within the public sector and the wider community
- Deliver a best practice governance structure
- Align team outputs, skillsets and capacity with the expectations of stakeholders.
